A short itinerary packed with interest providing an exciting overview of Kenya and her wildlife. There are no age restrictions for children at the lodges, which makes this an ideal choice for families. Exclusive buses for sole use of families are available at a reasonable supplement.

Amboseli is home to an abundance of mammals and over 400 species of birds. Plains game, lions, cheetahs and vast herds of elephants wander freely. The area is dominated by the stunning spectacle of Mount Kilimanjaro. At Lake Naivasha there is plenty for all the family to do. GAME DRIVES

A safari guarantees both excitement and the unexpected! This includes close encounters with wild animals, bumpy roads and helping out when the odds are down. Game drives normally take place early morning and evening when the animals are more active, and last between one and two hours. At some lake lodges game drives are not provided, although optional excursions may be purchased locally. Game drives are not included at tree lodges, as they overlook waterholes and salt licks which attract animals during the day and night. It is worth noting that game viewing is not an exact science and sightings of particular species can't be guaranteed.

YOUR VEHICLE

Safari vehicles are driven by expert driver/guides, who have extensive knowledge of the regions and wildlife. Microbuses in Kenya have game viewing hatches (accessible from the rear seats) and are equipped with a cool box for you to store your drinks. **Window seat guaranteed on this itinerary.**

HOT AIR BALLOONING - A MUST!

Optional Hot Air Ballooning can be arranged on this itinerary, while on the Masai Mara. This exhilarating experience starts at dawn, with around an hour in the air, followed by a Bush breakfast complete with sparkling wine.
